SP CHILLER JUICE

LOW TOXICITY HEAT TRANSFER FLUID

A propylene glycol-based, industrially inhibited heat transfer fluid with an operating temperature range of -60°F to 300°F, **CHILLER JUICE** is engineered for applications that demand a low toxicity fluid to satisfy environmental concerns and where propylene glycol use is demanded by law. With industrial grade inhibitors to provide longer service life.

Packaging: 5 Gallon Pail

E-Z KLEEN ACID

ACID-BASED COIL CLEANER

Our **E-Z KLEEN ACID** coil cleaner removes scale, dust, dirt, grime, grease and oxidation from aluminum or copper coils and fins of cooling units, air conditioners and heat exchangers. It effectively and easily removes lime and scale, keeping coils running efficiently and lowering power consumption, saving you money and helping conserve energy.

Packaging: Gallon

COOL DOWN

HEAT DISSIPATING SPRAY

Protect tools, equipment and workers from heat-related accidents with **COOL DOWN**, a heat sink gel that prevents heat transfer during soldering, welding and brazing and provides a protective barrier and dissipates the heat, preventing it from moving past the applied area. **COOL DOWN** also acts as a flame retardant on wood, drywall, insulation and more.

Packaging: 16 oz Aerosol

E-Z KLEEN FREE

FREE RINSING FOAMING COIL CLEANER

Formulated to penetrate and remove dirt and matted material from condenser coils and fins, **E-Z KLEEN FREE** eliminates the need for high pressure and bulky tank sprayers. Upon contact, the foaming action of **E-Z KLEEN FREE** begins to remove the soil from the surface. With no rinsing required, dirt and lint are washed away with condensation.

Packaging: 18 oz Aerosol

DEFOAMER

ANTI-FOAMING AGENT

Omega's **DEFOAMER** can be used around sewage treatment plants for foam knock down, dripped into waste streams where foam is a problem, used to eliminate foam in aerator tanks and in public places such as golf courses, offices and apartments, **DEFOAMER** can be added to fountains and waterfalls to reduce foam problems.

Packaging: Gallon, Bulk

E-Z KLEEN FRESH

FOAMING COIL CLEANER

E-Z KLEEN FRESH is formulated to penetrate and remove dirt and matted material from condenser coils and fins, eliminating the need for high pressure sprayers and bulky tank sprayers. Upon contact with the surface of the coil, the foaming action of **E-Z KLEEN FRESH** begins to remove the soil from the surface. Rinsing is not required.

Packaging: 18 oz Aerosol

E-Z KLEEN

NON-ACID COIL CLEANER

Designed for renovation and fast and easy deep cleaning of air conditioning coils, fins and filters, cleaning with **E-Z KLEEN** will step up the heat transfer in your large or small air handling units from 40-80%. With a pleasant smell, **E-Z KLEEN** removes dust, lint, dirt, oxidation, smoke, grease, putting and atmospheric salts.

Packaging: Gallon

E-Z QUAT BLAST

HYGIENIC COIL CLEANER

Designed to purify the coil as it cleans, **E-Z QUAT BLAST's** quaternary ammonia compound formula will help open restricted air flow due to build up in the coil surface, advance heat transfer, reduce head pressure and optimize system capacity, improving air quality and aiding in the breakdown of cold water slime in the pan.

Packaging: 19 oz Aerosol

PAN KLEEN

DRAIN PAN SLIME PREVENTATIVE

Omega's **PAN KLEEN** is a microbicide pan strip for air conditioning drop pans, computer room equipment, refrigerated vending machines, swamp coolers, display cases and cold walk-ins. **PAN KLEEN** controls foul odors and inhibits the growth of slime forming and odor causing bacteria, organic buildup, scale and corrosion deposits. EPA registered.

Packaging: Various Sizes

PATCH IT

RUBBERIZED COATING & ROOF PATCH

Stop leaks fast with **PATCH-IT**, Omega's multi-purpose continuous coating instant leak sealer. **PATCH IT** can be applied to any surface to provide a waterproof flexible rubber coating that stops leaks and acts as a barrier against moisture, rust and corrosion. Fast-drying, **PATCH IT** will not crack or peel. Available in **Aluminum, Black and White**.

Packaging: 16 oz Aerosol

PAN KLEEN GEL TAB

CONDENSATE PAN MAINTENANCE

Long lasting slime and odor treatment for A/C condensate pans, regular use of a **PAN KLEEN GEL TAB** will aid in preventing drain pan overflow and musty, foul odors in your air conditioning system. Each **PAN KLEEN GEL TAB** stays in place until completely dissolved with its slow release formula delivering complete seasonal treatment.

Packaging: Solid Tablets

PIPE BOND KIT

WATER-ACTIVATED FIBERGLASS REPAIR

Ideal for emergencies and frozen pipe breaks, our **PIPE BOND KIT** is a strong, permanent and economical repair that works on virtually every kind of pipe and hose. As it works on wet, dry, clean, dirty or corroded pipes, **PIPE BOND KIT** is an easy alternative to traditional methods such as cementing, soldering, welding, sleeving and replacement.

Packaging: 3" and 4" Width Single Kit

PAN KLEEN LIQUID

A/C CONDENSATE CLEANER

Maintain your A/C system to prevent high humidity, unpleasant odors and water damage with **PAN KLEEN LIQUID**, our environmentally safe way to control algae, mold and slime in air conditioning pans, lines and refrigeration equipment. Easy-to-use, **PAN KLEEN LIQUID** helps avoid clogging, eliminate odors and keeps drain lines clean and flowing freely.

Packaging: 16 oz Bottle

P.P.P.

EPOXY PAN PLUG PATCH SEALANT

With a fast-acting formula with long lasting results, **P.P.P.** is a two-part epoxy that creates a permanent bond, stopping leaks and holes in drain pans. It pours through standing water to create a permanent bond to almost any surface, including metal, wood and concrete. **P.P.P.** also includes an anti-microbial additive to eliminate future mold growth.

Packaging: Single Two-Part Bag

PAN KLEEN TAB

CONDENSATE PAN TAB

Formulated with AT-8, a powerful cleaning detergent that immediately breaks up sludge and slime, **PAN KLEEN TABS** clean scum and other accumulations in A/C pans and drain lines. They are easy-to-use, safe, non-toxic, non-corrosive, completely soluble and will not form any deposits in the pan or drain line with 3 sizes available depending on the size of your A/C unit.

Packaging: Reclosable Container

WT500 COOLING TOWER INHIBITOR

CORROSION & SCALE INHIBITOR

WT500 is an advanced liquid scale and corrosion inhibitor for use in open recirculating cooling water systems. It maintains clean, scale-free and deposit-free surfaces which are required for system life and efficiency. One gallon treats 1,000 gallons.

Packaging: Bulk

WT2000 COOLING TOWER INHIBITOR

CORROSION & SCALE INHIBITOR

WT2000 is an advanced liquid scale and corrosion inhibitor for use in open recirculating cooling water systems. It maintains clean, scale-free and deposit-free surfaces which are required for system life and efficiency. One gallon treats 2,000 gallons.

Packaging: Bulk

WT B&C TREATMENT

CONDENSATE LINE TREATMENT

This broad range boiler and condensate line treatment compound contains polymeric dispersants, organic scale control additives, an oxygen scavenger, alkalinity builders, corrosion inhibitors, sequestering agents and softeners to keep steam boilers clean and efficient.

Packaging: Bulk

WT8000 COOLING TOWER INHIBITOR

CORROSION & SCALE INHIBITOR

WT8000 is an advanced liquid scale and corrosion inhibitor for use in open recirculating cooling water systems. It maintains clean, scale-free and deposit-free surfaces which are required for system life and efficiency. One gallon treats 8,000 gallons.

Packaging: Bulk

WT DESCALER

DESCALER

WT DESCALER is a highly effective blend of acids, inhibitors and cleaners formulated to efficiently remove scale and corrosion from all metals except aluminum, magnesium, zinc and galvanized surfaces. **WT DESCALER** will maintain clean heat transfer surfaces to maximize equipment life.

Packaging: Bulk

WT ACID NEUTRALIZER

ACID NEUTRALIZER

WT ACID NEUTRALIZER effectively neutralizes acidic cleaning solutions with its concentrated blend of alkali and dispersing agents.

Packaging: Bulk

WT SCAVENGER

OXYGEN SCAVENGER

WT SCAVENGER is an effective formulation designed to chemically react with oxygen to prevent the formation of iron oxides or corrosion.

Packaging: Bulk

WT BOILER INHIBITOR

BOILER SCALE INHIBITOR

Formulated specially for "high make-up" steam boiler systems, the chemicals incorporated in **WT BOILER INHIBITOR** are of the highest quality for control of scale, rust, sludge and corrosion in normally operated boilers.

Packaging: Bulk

BIRD REPEL

CONVENIENT BIRD REPELLENT

Harmless to birds, **BIRD REPEL** is designed to discourage pigeons, house sparrows, starlings, gulls, blackbirds, crows and common ravens from roosting or perching on treated ledges, roofs, sills, peaks, cornices and similar parts of buildings, bridges and overpasses. **BIRD REPEL** will remain tacky at 15°F and will not run at temperatures up to 200°F.

Packaging: Caulking Tube

D-BUG

NATURAL INSECT REPELLENT

With a superior DEET-free formula that utilizes nature's three most effective repellents - Citronella, Tea Tree and Eucalyptus, each bottle of **D-BUG** will deliver 350+ sprays of a natural insect repellent that will protect for 4+ hours. **D-BUG** is Paraben-free with no synthetics and no preservatives. Not available in California.

Packaging: 2 oz Bottle

D-BUG PEN

PERSONAL SIZE INSECT REPELLENT

Providing protection from flies, mosquitoes, gnats, ticks and many other flying insects, **D-BUG PEN** is a personal pocket-sized insect repellent spray pen made with a natural blend of Citronella, Eucalyptus, Lemon and Peppermint essential oils. **D-BUG PEN** is BOA, GMO, Paraben and DEET-free. Not available in California.

Packaging: Individual Clip-On Pen

DETER

RODENT REPELLENT

Not a poison, Omega's **DETER** is a safe, all-natural, biodegradable solution to prevent rodents from entering, nesting and foraging your home or business. Safe around kids and pets when used as directed, **DETER**'s ready-to-use formula effectively repels rats, mice, chipmunks, squirrels, raccoons, opossums and many other rodents and pests.

Packaging: 16 oz Bottle

FLY-AWAY

GREASE TRAP & DRAIN CLEANER

Avoid the hassle of organic waste in drains and grease traps with **FLY-AWAY**, a concentrated bacterial gel that digests grease buildup. Our formula includes a unique Bacillus strain that breaks down long chain fatty acids, the primary component of problem grease deposits. **FLY-AWAY** also destroys fruit and drain fly infestations, odors and clogged drains.

Packaging: Quart

HOG B GONE

NATURAL HOG REPELLENT

Prevent disease, damage to agriculture and water quality with **HOG B GONE**, a professional-strength, non-toxic and environmentally safe natural hog repellent made with all-natural ingredients. **HOG B GONE** is a product exempt from EPA registration under minimum risk pesticides exemption FIFRA section 25(b).

Packaging: 5 Gallon Pail

M BOMB

TOTAL RELEASE FOGGER

M BOMB is a water-based, one-step killing action insecticide fogger which penetrates to all areas for thorough insecticidal action. **M BOMB** contains permethrin, pyrethrin and MGK® 264. Designed with a special lock down valve, **M BOMB** kills cockroaches, crickets, ants, mosquitoes, fleas, rice weevils, saw-tooth grain beetles, ticks, flies and moths.

Packaging: 9 oz Aerosol

NIK

NATURAL INSECT KILLER

NIK is a water-based pesticide developed specially to control insects. **NIK** will kill insects on contact. 100% mortality occurs within 5 - 10 minutes of application, depending on life stage. **NIK** is also effective on cockroaches, ants, millipedes, carpet beetles, fleas and bed bugs. **NIK** is effective for up to 30 days after surface treatment.

Packaging: Quart

OCR

POISON-FREE RAT & MOUSE BAIT

Created from a unique patented blend of food grade ingredients to increase performance and palatability, **OCR (ONLY CONTROLS RODENTS)** is a safe and effective means to rid an area of rats and mice. **OCR** is weather-resistance and perfect for use in outdoor bait boxes, helping to achieve rapid eradication of rat and mouse infestations.

Packaging: 5 lb Reclosable Container

RAT BAIT

SIMPLE RODENT CONTROL

A flavored bait block for an easy, thorough solution to your mouse and rat control needs, **RAT BAIT** makes a great addition to your warehouse, retail facility or other industrial establishment, featuring a highly palatable peanut butter flavor to lure in unwanted rodents and a powerful rodenticide for maximum effectiveness.

Packaging: 144 Blocks in Reclosable Pail

STOP BUGGING

CONVENIENT CARRY SIZE SPRAY

Omega's **STOP BUGGING** is a blend of natural ingredients to prevent pests from attacking your skin. The natural oils in this product are carefully combined to provide a shield that prevents these pests from being attracted to your skin and outerwear. **STOP BUGGING** does not contain any pesticides or harsh chemicals.

Packaging: 4 oz Spray Bottle

TERMINATOR

VANILLA-SCENTED INSECTICIDE

Ideal for areas frequented by customers because it smells like you sprayed deodorizer instead of insecticide, **TERMINATOR** is a fast-acting insect killer great for confined areas or where strong odors could cause a problem. **TERMINATOR** quickly kills the bugs you see and has a three-month residual effect to kill the ones you don't.

Packaging: 15 oz Aerosol

TERMINATOR POWDER

FIRE ANT & ROACH ERADICATOR

Our insecticide kills fire ants and other insects by literally draining them of their moisture. Sprinkle **TERMINATOR POWDER** around ant hills and other entrances. As soon as they track through it, it begins removing moisture from their bodies. Not available in California.

Packaging: 6 oz Container

TOMBSTONE

WASP & HORNET KILLER

With an aerosol formula high-power spray, **TOMBSTONE** kills wasps, hornets, yellow jackets and bees on contact. It kills with residual action as wasps and hornets return to the nest. **TOMBSTONE's** jet spray will reach nests up to 20 feet above the ground. **TOMBSTONE** has a dielectric breakdown voltage of 47,300 volts.

Packaging: 12 oz Aerosol

OMEGA LED LIGHTING Better Light Quality, Durability, Saving Money

- The light-emitting diode (LED) is today's most energy-efficient and rapidly developing lighting technology. Quality LED light bulbs last longer, are more durable and offer comparable or better light quality than other types of lighting.
- LED lighting reduces energy consumption. Reduce your utility bills by up to 70-90% through energy reduction.
- LED light bulbs last longer. At a cost of \$8-15 to change a light bulb, if you can reduce replacements from 2-3 times to just once, you can see significant savings.
- Less inventory is required since the lamps last 2-3 times or more longer than "old technology" lighting.

Let OMEGA help YOU with LED lighting.

LED BACKLIT FLAT PANEL

SLEEK ULTRA-THIN DESIGN

Update and brighten your work environment while lowering your energy costs with our line of **LED BACKLIT FLAT PANEL** lighting. They are commonly used in offices, retail stores and commercial settings where bright, energy-efficient lighting enhances productivity and creates a welcoming atmosphere.

LED SCREW-IN LIGHT BULBS

USES EXISTING LAMP SOCKETS

With long lifespan and strong durability, our **LED SCREW-IN LIGHT BULBS** offer significant benefits including high energy efficiency, substantial electricity savings, low heat output and lower maintenance costs. We offer a wide range of color temperatures to suit different lighting needs.

LED LINEAR TUBES

LONGER LASTING LED LIGHTING

Lower your energy costs with our **LED LINEAR TUBES**. With easy installation, durability and longer lifespan, you can enjoy reduced maintenance costs. Unlike fluorescent tubes that require time to warm up, **LED LINEAR TUBES** reach full brightness immediately and can produce a more natural and vibrant light with better color rendering compared to fluorescent lights.

LED BALLAST DISCONNECT

UPGRADE TO LED IN A SNAP

Changing ballasts or upgrading to LED light fixtures has never been easier with our **LED BALLAST DISCONNECT**. Made of quality materials and compact design, the integrated latch automatically locks with mating of keyed connectors that gives 100% protection against mid-mating and simply push down to disengage.

AIR TOOL REJUVENATOR

CORROSION INHIBITOR

Prevent rust and corrosion on all metal parts with **AIR TOOL REJUVENATOR**. Excellent protection for machine parts, dies, pipe threads, casting, tools, jigs and stamped metal parts. Film is transparent and can be removed by washing with kerosene or mineral spirits.

Packaging: 11 oz Aerosol

CLEAR LUBE

CHAIN AND CABLE LUBE

Great for use on material handling equipment, conveyors, hoist chains and more, **CLEAR LUBE's** aerosol gel penetrates and lubricates moving parts. With additives that provide excellent adhesion properties and resistance to extreme pressure and high temperature breakdown, **CLEAR LUBE** forms a non-staining, rust-protective coating.

Packaging: 14 oz Aerosol

ANTI SEIZE BRUSH TOP

HIGH TEMP/PRESSURE LUBRICANT

Formulated with the highest quality friction reducing solid lubricants and synthetic bases available, **ANTI SEIZE BRUSH TOP** leaves a protective film that seals and protects metal parts even under the most extreme conditions of heat, pressure, steam and saltwater exposure.

Packaging: 8 oz Brush Top Container

COOL DOWN

HEAT DISSIPATING SPRAY

Protect tools, equipment and workers from heat-related accidents with **COOL DOWN**, a heat sink gel that prevents heat transfer during soldering, welding and brazing and provides a protective barrier that dissipates the heat, preventing it from moving past the applied area. **COOL DOWN** also acts as a flame retardant on wood, drywall, insulation and more.

Packaging: 16 oz Aerosol

A.S.S.

ANTI-SEIZE SPRAY

Our general purpose anti-seize lubricant, sealant and protective coating to use wherever metal contacts metal. **A.S.S.** covers any metal with a protective resistant coating that acts as a barrier to withstand pressure, friction and extreme heat (to +2000°F). Stops corrosion, is non-melting, waterproof and highly resistant to chemicals and solvents.

Packaging: 13 oz Aerosol

CT FLUID

CUTTING & TAPPING FLUID

A foaming transparent coolant and lubricant designed for portable and field operations, **CT FLUID** cools work pieces, causing less heat distortion and tool burning, increasing production and lengthening tool life. **CT FLUID** is transparent, providing better visibility of work area and its foam clings to cutting tools reducing waste and over spray.

Packaging: 14 oz Aerosol

BELT-TITE

360° NOZZLE BELT DRESSING

BELT-TITE is a resin-based belt dressing spray designed to increase power and performance by reducing slippage of all types of power belts including round, flat or V-type belts made of leather, rubber, fabric and synthetic material. Cleans, preserves, waterproofs and adds new flexibility to old belts, **BELT-TITE** will not glaze and does not attract dirt or dust.

Packaging: 11 oz Aerosol

DRI MOLY

HIGH TEMPERATURE LUBRICANT

Lubricating moving parts of all kinds, **DRI MOLY** is a molybdenum disulfide dry film lubricant that withstands high pressures and extreme temperatures (-40°F to 600°F). Fast drying with minimal transfer, **DRI MOLY** protects from rusting and corrosion by displacing moisture and reduces metal to metal contact and friction on treated surfaces.

Packaging: 12 oz Aerosol

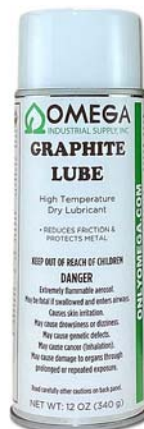

FAST

PENETRATING LUBRICANT

Loosen dirt and scale from painted and plated surface with **FAST**, a powerful, multi-action shield that protects against the harmful effects of moisture and corrosion. It protects metal and other surfaces from deterioration by displacing water and moisture and sealing all surfaces with a complete molecular film. Dielectric strength 30,000 volts.

Packaging: 15 oz Aerosol

GRAPHITE LUBE

HIGH TEMP DRY GRAPHITE LUBRICANT

GRAPHITE LUBE is an extra duty, high temperature, dry aerosol lubricant that is portable and easy to use. **GRAPHITE LUBE** will leave a thin film layer of graphite that not only lubricates but penetrates deeply into difficult areas to protect metal and reduces friction and squeaking from tools, hardware and accessories.

Packaging: 12 oz Aerosol

FAST CHERRY

CHERRY-SCENTED LUBRICANT

Excellent for removing parts, fasteners and mating connections as well as protecting metal from moisture and further corrosion, our **FAST CHERRY** is a premium penetrating oil that breaks rusted bolts free and can be used on motors, wire cables, rusted parts, ignition systems, machine parts, door hinges and more.

Packaging: 18 oz Aerosol

GREASE IT ALL LUBE

MULTI-PURPOSE GREASE

A lithium complex-based grease formulated with highly refined base oil and specialty additives to meet the severe requirements of machinery, **GREASE IT ALL LUBE** is recommended for extended service in heavy-duty automotive and bearings.

Packaging: Caulking Tube

FASTER

PENETRATING LUBRICANT

Quickly penetrate rust, corrosion and moisture with **FASTER**, protecting motors, wire cable, rusted parts, ignition systems, machine parts, hinges, locks, nuts, bolts and refrigeration equipment. **FASTER** protects the properties of insulating substances and does away with wicking. Dielectric strength 30,000 volts. Not available in California.

Packaging: 16 oz Aerosol

GREASE-IT BLUE

EXTENDED SERVICE LIFE

A Lithium complex base grease with the most up to date additives, giving longer bearing life and reducing the need to stock several greases, **GREASE-IT BLUE** is a heavy-duty industrial grease designed for extended service life that resists thinning or hardening in service, which minimizes leakage and prolongs the service life of the grease.

Packaging: Caulking Tube

FOAMY LUBE

CHAIN & CABLE LUBRICANT

Fortified with Moly, **FOAMY LUBE** sprays as an instant foaming, deep penetrating liquid that flows inside intricate chains and cables where the greatest stress occurs. **FOAMY LUBE** provides a thick foam that clings. As foam breaks, lubricant penetrates wire rope, rollers, pins, links and bushings of chains leaving a lubricating film which reduces friction, wear and corrosion.

Packaging: 16 oz Aerosol, Bulk

GREASE-IT GREEN

ANTI-SPATTER IMPACT GREASE

Omega's **GREASE-IT GREEN** is a multi-purpose grease fortified with special additives enabling it to withstand the heavy impact and pounding pressures common to heavy equipment. **GREASE-IT GREEN**'s special additive package allows the grease to stay in place and not to spatter or pound out of the bearing or fitting.

Packaging: Caulking Tube

GREASE-IT RED

HEAVY LOAD & IMPACT GREASE

Our all-purpose, non-melt grease especially formulated with extreme pressure and anti-wear additives to provide heavy duty service, **GREASE-IT RED** is one of very few greases able to withstand heavy shock load and impact pressures of 65 Timken load capabilities. It resists most acids, weather, dirt, salt spray, steam and oxidation.

Packaging: Caulking Tube, Bulk

GREASE-IT SILVER

SYNTHETIC BLEND HIGH TEMP

Omega's **GREASE-IT SILVER** is a metallic silver combination of an olefinic copolymer anti-seize compound and a non-soap bentone grease. **GREASE-IT SILVER** is fortified with additives that will provide it with excellent lubricating properties, stability and anti-wear protection to metal surfaces.

Packaging: Caulking Tube

GREASE-IT WHITE

FOOD GRADE BEARING GREASE

A multi-purpose high temperature, high purity food grade lubricant that provides long lasting grease protection. It can be used in federally inspected meat, poultry and food processing facilities. **GREASE-IT WHITE** resists extreme pressure, corrosion and water washout. This premium grease has a mild petroleum odor and is non-staining.

Packaging: Caulking Tube

LITHO WHITE GREASE

WHITE SPRAY GREASE

All-weather, multi-purpose **LITHO WHITE GREASE** lubricant penetrates like an oil then cures to a thick, water resistant grease that is heat stable to 350°F. The white color helps to indicate lubricated areas and reduces staining. It will not harden, crack or separate.

Packaging: 11 oz Aerosol

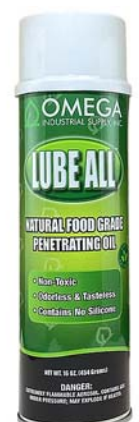

LOOSEN UP

ODORLESS, ORGANIC, PENETRATING

LOOSEN UP penetrates and loosens frozen and rusted parts quickly. It is non-conductive, harmless to paint and plastics and is environmentally safe. Omega's **LOOSEN UP** contains no chlorinated or fluorinated solvents and leaves a residual film reducing friction for less wear and quiet, long-lasting operation.

Packaging: 12 oz Aerosol

LUBE ALL

FOOD GRADE PENETRATING OIL

LUBE ALL is a lubricant made up of USP liquid petrolatum and propellant, providing a sanitary means of lubricating dairy and food processing equipment. **LUBE ALL** resists water washout, has an operating range of 0°F to 300°F and complies with FDA regulations. **LUBE ALL** can be used on slides, bearings, pistons and rings, seals and pump parts.

Packaging: 16 oz Aerosol

MEGA GREASE

FOOD GRADE WHITE GREASE

Omega's **MEGA GREASE** is a multi-purpose, high purity food grade lubricant with powerful metal-to-metal characteristics, providing long lasting grease protection. **MEGA GREASE** is effective from -40°F to 550°F while providing excellent water displacement, long-last lubrication and corrosion defense.

Packaging: 10 oz Aerosol

NEW NUTS

THREAD RECONSTRUCTION PENETRANT

NEW NUTS is a thread reconstruction penetrant that outperforms conventional lubricants, penetrants and products. In the past, when threads were damaged it required a cutting torch or the drilling out of bolts. Now with **NEW NUTS**, threads are reconstructed using nano technology to allow for complete disassembly.

Packaging: 10.5 oz Aerosol

NO MESS ANTI SEIZE

HIGH TEMPERATURE ANTI SEIZE

This high-quality lubricant dissipates at temperatures above 400°F without carbon residue, leaving a dry film of aluminum and graphite to plate and protect metal surfaces to temperatures above 2,000°F. **NO MESS ANTI SEIZE** contains no lead or copper.

Packaging: 6 oz Aerosol Foam Applicator

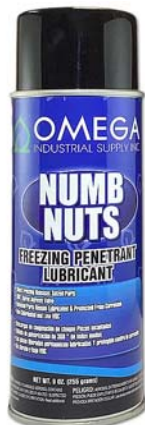

NO MESS ANTI SEIZE COPPER

SEIZING & CORROSION PROTECTION

Pure copper flakes plus other solids, special carriers protect, lubricate and fight corrosion which prevents galling and seizure of mating surfaces. It features a non-melting synthetic carrier which depolymerizes and dissipates at temperatures exceeding 400°F.

Packaging: 6 oz Aerosol Foam Applicator

NUMB NUTS

FREEZING PENETRANT LUBRICANT

Omega's **NUMB NUTS** immediately freezes and shrinks seized and corroded nuts, bolts, pins, hinges, and studs allowing it to penetrate and loosen the toughest applications. Spraying **NUMB NUTS** to reach deeper in the toughest of applications and work more successfully than other penetrants and will also shield against renewed corrosion.

Packaging: 9 oz Aerosol

PENETRATOR

PENETRATING OIL

This fast-acting penetrating lubricant contains Teflon® and Vydax® for excellent long-lasting lubrication. **PENETRATOR** will adhere to vertical surfaces and works in a broad temperature range for increased versatility. **PENETRATOR** is great for use on all surfaces that slip, slide, rub, roll, turn or pivot and provides fast penetration.

Packaging: 15 oz Aerosol

RED I GREASE

NON-MELT SPRAY GREASE

RED I GREASE is a cured lubricant that withstands heat to 350°F, moisture, acids, high pressure and is highly rust resistant. This VOC-compliant formula provides superior lubrication while forming a thick, long-lasting film to prevent future corrosion. A high-pressure additive reduces wear and prolongs operational life of all machinery.

Packaging: 14 oz Aerosol

SG GREASE TUBE

SILICONE GREASE WITH PTFE

Omega's **SG GREASE TUBE** is a release agent, O-Ring lubricant and dielectric moisture barrier that is easy to apply. **SG GREASE TUBE** is odorless, non-toxic, non-melting, non-corrosive, long service life, moisture resistant, excellent lubrication and release properties, and high chemical, oxidation and radiation resistance.

Packaging: 8 oz Tube

SLIPPERY PULL

WIRE PULLING LUBRICANT

SLIPPERY PULL is a non-conductive, clear wire pulling lubricant for easy installation and removal of any type of wiring. Use for ease in pulling plastic, rubber or synthetic covered wire through plastic, aluminum or steel conduit. **SLIPPERY PULL** protects conduit against internal corrosion, will not harm conduit or wire and will not run out conduit ends.

Packaging: 14 oz Aerosol

SPC

SNOWPLOW COATING

Keep snow, slush and ice from sticking to snow equipment, snowmobiles, skis and more with **SPC**, a barrier to protect metal, fiberglass, plastic and painted surfaces from buildup and damage. **SPC** can be used on the underside of mowers, weed eaters and lawn maintenance equipment to prevent grass clipping and dirt build-up and wear-and-tear.

Packaging: 14 oz Aerosol

SPECIAL PROTECTIVE COATING

SPECIAL PROTECTIVE COATING

FRICION REDUCING SILICONE

Leave a hard, slippery layer of silicone on plow and cutting blades to help remove snow with less effort. **SPECIAL PROTECTIVE COATING** protects against rust and corrosion.

Packaging: 5 Gallon Pail

SUPER O.G.L.

OPEN GEAR LUBRICANT

SUPER O.G.L. is a solid film, highly viscous lubricant for use on gears, chains, cables, wire ropes, sprockets, machinery and heavy construction equipment. Omega's **SUPER O.G.L.** has excellent stretching characteristics that allow surfaces to be completely covered with lubricant, extending life of machinery and reducing downtime and maintenance.

Packaging: 12 oz Aerosol

SUPER SILICONE

FOOD GRADE DRY SILICONE SPRAY

Designed to lubricate equipment used in the packaging and processing industry, **SUPER SILICONE** leaves a non-staining dry pure silicone film to lubricate moving parts, reducing friction and wear. Heat stable from -35°F to 350°F, **SUPER SILICONE** will not melt, freeze, gum or become rancid. **SUPER SILICONE** contains no methylene chloride.

Packaging: 11.5 oz Aerosol

T-EASE

DRY LUBRICANT & RELEASE AGENT

T-EASE is a no mess, non-staining, dry lubricant. The low odor, colorless formula is non-oily but slicker than silicone and graphite. **T-EASE** is an excellent release agent. It contains an extremely fine polytetrafluoroethylene (PTFE) powder, creating a lubricant film effective over a wide temperature range (-100°F to 500°F).

Packaging: 10 oz Aerosol

ACOUSTA TILE

WHITE ACOUSTICAL TILE RESTORER
ACOUSTA TILE restores stained and discolored tile to a like-new condition and eliminates the need for costly ceiling tile replacement. **ACOUSTA TILE** does not affect acoustical properties and is excellent for both smooth and rough surfaces. Coating is nonflammable when dry and does not change the fire rating of the tile to which it has been applied.

Packaging: 12 oz Aerosol

BLACK BEAR TAPE

COMMERCIAL SEAMING TAPE

Our **BLACK BEAR TAPE** is a single-sided commercial class seaming tape that is built with a laminated polyethylene cloth and unique acrylic adhesive, designed for today's new class of building wraps. Omega's **BLACK BEAR TAPE** is chemical resistant, waterproof, stable in all temperatures (-40°F to 200°F) and can be easily torn by hand smoothly.

Packaging: 2" x 65' Roll

ALUMINUMMAN

ALUMINUM REPAIR EPOXY PUTTY

ALUMINUMMAN is a hand-mixable, fast-setting, aluminum-reinforced, non-rusting epoxy putty that quickly repairs or rebuilds anything made of aluminum. **ALUMINUMMAN** forms a polymer compound that can be molded into shapes or used to build up, repair and patch items made of aluminum, curing hard and bonding tough to metals.

Packaging: Tube

BOND A BOO BOO

5-MINUTE EPOXY ADHESIVE

BOND A BOO BOO is an easy-to-use two component adhesive system that has no odor. Its excellent adhesion can be used on a wide variety of materials such as aluminum, copper, steel, brass, concrete, FRP/SMC, wood, glass, plastics, ceramics, metals, graphite and polyurethane. Its high bond strength develops in 1-2 hours.

Packaging: Single 2-Part Epoxy Kit

AQUAMAN

UNDERWATER REPAIR EPOXY PUTTY

Optimized for repairs to damp, wet areas and underwater surfaces, **AQUAMAN** is a hand-mixable, specialty epoxy putty. After mixing, **AQUAMAN** forms a polymer compound that can be applied in both fresh and saltwater environments as well as to dry surfaces. It will bond to substrates such as fiberglass, concrete, metal, ceramic, wood and many plastics.

Packaging: Tube

C PATCH

CONCRETE FILLER & SEALANT

An extremely elastic moisture cure sealant designed for application to dry or damp surfaces common to roofing, driveways, sidewalks, stairwells, parking structures, pools & fountains, **C PATCH** fills and adheres to concrete, masonry, wood, stone and asphalt. **C PATCH** will not shrink and cures rapidly to a solid rubber seal.

Packaging: 10.1 oz Caulking Tube

ARMOR COAT

STAINLESS STEEL COATING

Our **ARMOR COAT** provides a tough long-lasting rust protection coat containing 100% pure 316L stainless steel pigment in an ultra-durable resin system that is heat resistant up to 250°F. **ARMOR COAT** seals, beautifies and protects metal, wood, ceramics and more while preventing deterioration caused by harsh chemicals or conditions.

Packaging: 13 oz Aerosol

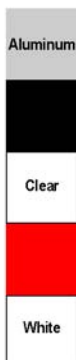

C PATCH SELF LEVELING

MASONRY RUBBER SEALANT

A concrete and masonry sealant designed for application to dry or damp horizontal cracks and chips in concrete, masonry, wood, stone and metallic surfaces, **C PATCH SELF LEVELING** self-levels to a smooth, beautiful finish that is durable and paintable within 24 hours.

Packaging: 10.1 oz Caulking Tube

C & G

CAULKING & GASKET MAKER

C&G RTV Silicone Caulk and Sealant is a multipurpose, single component adhesive sealant that quickly adheres to most surfaces. Curing in 24 hours, **C&G** provides a tough, resilient, silicone rubber good for hundreds of applications and will remain permanently flexible. Available in Aluminum, Black, Clear, Red and White.

Packaging: 8 oz Can with Dispenser Tip

COPPERMAN

COPPER-REINFORCED EPOXY PUTTY

COPPERMAN is a hand-mixable, fast-setting, copper-reinforced epoxy putty that quickly repairs pipes, tanks and vessels made of copper, brass, bronze and other non-ferrous metals. After mixing, **COPPERMAN** forms a polymer compound that is extremely tough and durable and offers exceptional adhesion.

HIGH-TEMP LUBRICANT & SEALANT

ANTI SEIZE 2400 is a heavy-duty industrial anti-seize and lubricating paste containing very finely divided metallic particles in a special no-melt semi-synthetic carrier. **ANTI SEIZE 2400** leaves a protective film that seals and protects metal parts even under the most extreme conditions of heat, pressure, steam and saltwater exposure.

Packaging: 8 & 16 oz Containers

MK-316

PURE STAINLESS STEEL COATING

Tack-free in 5 minutes and hard curing in 2 hours, **MK-316** is a super tough coating containing pure stainless-steel pigment in an ultra-durable resin system. It seals, beautifies and protects metal, wood, ceramics and more. **MK-316** helps prevent deterioration caused by harsh chemicals, severe atmospheres or conditions.

Packaging: 13 oz Aerosol

CC-44

ELECTRONIC CONTACT CLEANER

A high purity, high dielectric, rapidly evaporating, non-flammable aerosol spray, electronic contact and circuit board cleaner, **CC-44** is specially formulated for removing condensation, dirt, dust and other particulate matter from sensitive electronic parts. Quick drying formula will not harm most plastics, paints or rubbers.

Packaging: 20 oz Aerosol

MOLY PASTE

LUBE & ANTI-SEIZE COMPOUND

Our **MOLY PASTE** is a heavy duty, multipurpose extreme pressure lubricant and anti-seize compound designed to reduce seizing, galling, fretting and wear. **MOLY PASTE** has a balanced blend of lubricating solids, including molybdenum disulfide, assures superior performance and rust protection during its full working life.

Packaging: 8 oz & 16 oz Containers

FLUSH 420

POWERFUL FLUSHING ACTION

Omega's **FLUSH 420** is a powerful solvent and degreaser that removes grease, dirt, oil, printing ink, tar, grime, adhesive and resins. **FLUSH 420** will not harm most metals and painted surfaces. Electric motors and generators may be cleaned while in use as it will not short electrical equipment.

Packaging: 20 oz Aerosol

MOLYTEX PLUS

FILM LUBRICANT & COATING

Designed for high pressure, load-bearing applications, **MOLYTEX PLUS** is a superior, long-lasting dry lubricant that adheres to almost all materials. It repels dust and dirt and is resistant to water, alkalis and most acids and prevents corrosion, seizing, wear, galling, binding, sticking, chattering, squeaking and scraping.

Packaging: 12 oz Aerosol

RESISTO FLEX

METAL PARTS PROTECTOR

A long-term, flexible, non-tacky, dust-resistant coating that will not crack, peel, flake or chip over a wide temperature range (-40°F to +175°F), **RESISTO FLEX** adheres to most clean metal surfaces. It can be used on molds, castings, metal parts in transit, seasonal equipment in storage and any metal part needing to be temporarily sealed against corrosion.

Packaging: 14 oz Aerosol

SILI-FILM

FOOD GRADE DRY SILICONE SPRAY

Omega's **SILI-FILM** can be used as a lubricant, release agent, water repellent, protective coating and polish. The dry silicone film is non-flammable, colorless, odorless, nonstaining, waxless and heat-stable; unaffected by temperatures from -40°C (-40°F) to over 200°C (392°F). It minimizes clean-up time, stops sticking and binding and protects equipment.

Packaging: 11 oz Aerosol

TEF-PASTE

PTFE THREAD SEALING COMPOUND

A non-toxic, non-drying thread sealing compound consisting of a blend of nonvolatile, non-melting grease, PTFE particles and inert solid fillers engineered to produce a leak proof seal, **TEF-PASTE** does not contain lead, graphite or Molybdenum Disulfide. **TEF-PASTE** can be used to seal all threaded joints in plastic, aluminum or stainless steel lines.

Packaging: 8 & 16 oz Containers

TOOL-COOL

CUTTING & TAPPING FLUID

A transparent coolant and lubricant designed for portable and field operations, **TOOL-COOL** cools work pieces, causing less heat distortion and tool burning, increasing production and lengthening tool life. **TOOL-COOL** is useful on many surfaces including carbon and stainless steel, aluminum, bronze, titanium and many exotic alloys.

Packaging: 12 oz Aerosol

TRX-200

AEROSOL HIGH-TEMP RED GREASE

Our multi-purpose lubricant sprays out of the can as a thin, penetrating liquid and quickly sets as a thick red grease capable of clinging to vertical surfaces. **TRX-200** provides superior adhesive, cohesive and extreme pressure and cushioning properties. This formula lubricates, prevents oxidation and prevents rust. Not available in California.

Packaging: 12 oz Aerosol, Bulk

TRX-777

OPEN GEAR LUBRICANT

Our **TRX-777** is a tacky spray lubricant that protects all moving surfaces from metal-to-metal contact. It forms a protective water-resistant coating to prevent corrosion in outdoor applications. **TRX-777** provides an elastic retractable film that reapplies itself with each revolution or movement of the lubricated part.

Packaging: 14 oz Aerosol

II-ZINC

ZINC RICH RUST PREVENTION

With a cold-applied coating that equals the performance of hot dip galvanized treatments, **II-ZINC** is a high solids zinc rich coating that forms an electrolytic bond on metal surfaces and prevents the formation of rust and corrosion. It prevents further damage and stops rust creepage and resists abrasion and large temperature fluctuations.

Packaging: 13 oz Aerosol

Z-WAY

PENETRANT LUBRICANT

Z-WAY penetrates through rust and scale to loosen parts which have been frozen by corrosion. It lubricates parts to ensure free and easy movement and creates a waterproof film that dries out electrical equipment, inhibits corrosion and prevents electrical discharge. **Z-WAY** protects and seals parts against atmospheric and chemical corrosion.

Packaging: 11 oz Aerosol

ALWAYS SHINE

OIL-BASED STAINLESS STEEL CLEANER

Formulated to clean, brighten, polish and protect stainless steel with a high luster, **ALWAYS SHINE** requires minimum effort to quickly remove smudges, stains and fingerprints. Effective for use on aluminum, chrome, Formica, porcelain and ceramic tile, **ALWAYS SHINE** forms a shield that resists watermarks and corrosion.

Packaging: 14.5 oz Aerosol

ANTI-FATIGUE MAT

DESIGNED FOR HEAVY USE

Happy feet make happy employees. Our **ANTI-FATIGUE MAT** is ultra-soft and diamond-plated, providing unparalleled comfort and enhancing employee productivity and morale. The double-thick Nitricell® sponge base is PVC-loaded with Nitrile rubber for exceptional comfort, rebound and life. The top surface is easy to sweep clean. Various sizes available.

ALWAYS SHINE OIL-BASED WIPES

DOUBLE-SIDED STAINLESS STEEL WIPES

Brighten, polish and protect your surfaces with a clear coating that acts as a protective shield. **ALWAYS SHINE OB WIPES** will remove hard water stains, smudges, fingerprints, food spills and residue from virtually any stainless steel surface or appliance.

Packaging: Canister with 110 Wipes

BEER KLEEN

LOW SUDS GLASSWARE CLEANER

Proper bar glass cleaning produces a thick creamy foam head which results in more glasses per barrel and more profits. Omega's **BEER KLEEN** features a tough detergent that cleans and washes glassware in any bar type sink application, tackling lipstick and other substances that often require extra wiping to eliminate.

Packaging: Gallon

ALWAYS SHINE-W

WATER-BASED CLEANER & POLISHER

Protect your stainless steel investment with **ALWAYS SHINE-W**, our water-based cleaner and polisher. USDA-authorized, it can be applied directly onto wet surfaces, eliminating the need for initial drying with most oil-based metal polishes. It easily wipes off leaving a unique soil, grease and water-resistant coating.
